

## **Alcazar Capital**

Alcazar Capital is a leading independent corporate finance advisory and private equity firm focusing primarily on the frontier emerging markets (Sub-Saharan Africa, MENA, South East Asia, and CIS).

Since 2007, Alcazar Capital has been investing in companies with a significant competitive edge and high barriers to entry, leading to higher returns prospects. This strategy provides investors with superior, risk-adjusted returns.

At the core of Alcazar Capital's success is its dedicated and experienced senior management with a strong track record, notably in the sectors of Telecom and Transportation.
