

## **Gulf Holdings**

Gulf Holdings is one of the United Arab Emirates largest holdings companies, based on turnover, diversification of activities and number of companies, with annual growth in excess of 100% for the last 25 years.

Chairman and CEO of Gulf Holdings is His Excellency Sheikh Sultan Al Qassimi, a graduate of Economics and Business Administration in the UK. H.E. Sheikh Sultan is the energy and vision behind Gulf Holdings and is regarded by his peers and regional economic leaders as a bridge between the East and West, having benefited from both a western and middle-eastern education and extensive business experience in both regions.

Established in 1982 out of an opportunity identified by H.E. Sheikh Sultan for foreign companies to establish themselves in the UAE, Gulf Holdings has interests including freight, scrap metal and industrial valves through to construction chemicals and concrete as well as retail sites, leisure yacht chartering, mobile IT technology, and small boat manufacturing.

Today, Gulf Holdings is the home of many innovations in many areas and boasts over 50 companies within its portfolio.
