

STRATA MANUFACTURING PJSC

Strata Manufacturing PJSC (Strata) was established in 2010 as a composite aerostructures manufacturing facility based in Al Ain. Strata is wholly-owned by Mubadala, the Abu Dhabi-based investment and development company, and is part of Mubadala Aerospace, Communications Technology and Defense Services.

Strata works closely with its partners and clients to deliver innovative, cost-effective solutions that combine leading-edge technologies, best practice manufacturing processes, and an integrated supply chain to the global aerospace manufacturers it partners with. Strata has partnerships with some of the world's leading Original Equipment Manufacturers (OEMs) including: Boeing, Airbus and Alenia Aermacchi, as well as tier-one suppliers FACC AG and SABCA.

In alignment with Abu Dhabi's 2030 plan to create a diverse, sustainable, high-tech and knowledge-intensive economy for Emirati nationals, Strata is committed to a 50% Emiratization ratio by 2015.
